

Constructing Excellence is a national organisation committed to improving the business performance of our members by focusing on innovation and best practice in collaborative working ,and supply chain integration.

Membership at our local club is multi-disciplinary which professionals from across the entire built environment sector. We represent Norfolk, and also cover Suffolk and Cambridge. We welcome all levels from apprenticeships to managing directors. Constructing Excellence events are designed to be thought provoking and provide valuable CPD to promote better ways of working in a challenging industry.

Membership allows:

- Free attendance to all of our events (when Corporate Membership is purchased this extends to all direct employees)
- Invitation to monthly CPD approved interactive seminars, where there is parking and a buffet provided
- Networking opportunities with clients, designers, suppliers, contractors, and consultants, all related to the local construction industry
- Access to our website which has a wealth of downloadable literature and guidance tools at [www.constructingexcellence.org.uk](http://www.constructingexcellence.org.uk)
- Use of the 'Associate Member - Constructing Excellence' logo on all your literature.
